## Press release

### **Eiffage strengthen its presence in the rail sector with the acquisition of the Meccoli group**

The Eiffage group signed an acquisition protocol under conditions for the Meccoli group which is specialised in the laying, maintenance and renewal of tracks and catenaries in France.

The Meccoli group has nearly 500 employees and achieved an annual turnover of nearly 100 million of euros.

With this new acquisition, Eiffage affirms its position in the rail infrastructure market in France and abroad and further strengthen its positioning as a recognised player.

This transaction is subject to the customary legal and regulatory approvals and should close in early 2019.

#### **About Eiffage**

Eiffage is one of Europe's leading construction and concessions companies. The Group's activities are organised on the basis of the following business lines: construction, real estate and urban development, civil engineering, metal, roads, energy and concessions. Thanks to the experience of more than 65,000 employees, Eiffage generated revenues of €15 billion in 2017, of which nearly 21% outside France.
