Following an initial phase of project optimisation by an integrated team including the project owner, the design team and Eiffage, BNP Paribas Fortis has awarded two Eiffage Group subsidiaries – Eiffage Benelux and Eiffage Construction – with the €190 million contract to build its new "Montagne du Parc" headquarters in Brussels.

The construction of this new headquarters for BNP Paribas Fortis, with a total area of 100,000 sq. m accommodating 4,500 workstations, will be in line with the latest high environmental and high energetic performances criteria. The aim is to develop a sustainable building offering optimal interior layout flexibility while meeting all of BNP Paribas Fortis's ecological, economic, aesthetic and social requirements.
