Press release

Eiffage strengthens its international position by the acquisition of the Chris Vuylsteke group in the Benelux

Eiffage acquires*, via Eiffage Benelux, a subsidiary of its Construction branch, the Chris Vuylsteke group, a company specialized in construction and property development based in Meulebeke, West Flanders.

Founded in 1969, Chris Vuylsteke is a general construction company with 160 employees and an annual turnover of approximately 45 million euros.

This operation is part of the international development strategy of Eiffage. The acquisition of the Chris Vuylsteke group, with management continuity, will enable Eiffage Benelux to strengthen its position and expand its activities in West-Flanders, in particular for design and build, property development and public-private partnerships.

* Acquisition subject to the approval of the Belgian Competition Authority

About Eiffage

Eiffage is one of Europe's leading construction and concessions companies. The Group's activities are organised on the basis of the following business lines: construction, real estate, civil engineering, metal, roads, energy and concessions. Thanks to the experience of more than 64,000 employees, Eiffage generated revenues of €13.9 billion in 2015, including 19% outside France.

About Eiffage Construction

Eiffage Construction provides the complementary businesses of urban planning, property development, construction, maintenance and facility management. The company is strongly established in France, as well as in the Benelux, Portugal, Poland and Slovakia. With a workforce of 11,800 employees, Eiffage Construction generated revenues of €3.5 billion in 2015.

About Eiffage Benelux

Eiffage Benelux is active in construction, real-estate development, civil engineering, marine and environmental works through fifteen companies. The group has a workforce of about 2,000 persons and its turnover in 2015 was €520 million.
