## Press release

### **Eiffage continues to actively manage its PPP portfolio by selling five projects to Quaero Capital**

Eiffage has recently concluded with Quaero Capital the following disposal in the field of education and research in France:

- 80% of the capital and the current account of Cologen and NPBS, respectively holders of the PPP contracts of 3 colleges in the Var and the University of Lorraine in Nancy,
- 85% of the capital and the current account of Eiffinov, Melaudix and Melotech, respectively holders of the PPP contracts of the universities of Lille, Aix-Marseille and Lorraine in Metz.

This transaction for an amount of close to €150 million corresponding to the debt<sup>1</sup> and equity of the disposed companies is effective as at 31/12/2021.

Eiffage will continue to manage and maintain these projects until the end of the contracts, marking the permanence of its commitment as a long-term industrial partner of its public customers.
